Terms & Conditions

The values indicated refer to a set with packaging, already with VAT included. Payment is made in advance, for bank transfer to the IBAN indicated on the proforma invoice, issued and sent after award. The original invoice is issued after payment and goes with the order.

Our products have very specific production times, therefore, the order must be held within 15 days before the delivery/sending date, so that we can guarantee the supply.

The delivery price is not included in the budget. If the customer want to receive the order at your premises, we may deliver it, by agreement; the price varies depending on the weight, volume and place of delivery.

The images presented in this catalog are exemplary; in case of stock break we guarantee a corresponding item, within the same range and price.
